REQUEST FOR CUSTOMER NUMBER CHANGE

Sir:

Applicants respectfully request that the U.S. Patent Office assign customer number 22514 to the above-referenced application, which was filed without a customer number. The attached Change of Address Form (PTO/SB/122) is submitted concurrently herewith indicating customer number 22514 is the mailing address associated with the application.

Although both customer numbers share the same mailing address, the customer associated with number 21176 is allowed private PAIR access for applications associated with customer number 22514. Accordingly, applicants request that the USPTO amend their records for the application above to reflect this change.

Due to the lack of a customer number upon filing the application, the Assignment Recordation is not visible on private PAIR. Applicants respectfully request that the Assignment information be accordingly linked to the application when the customer number is updated to 22514.

Respectfully submitted,

Paul F. Pedigo
